Re: ***United States v. Savon Bagby, 17 Cr. 505 (KMK)***

Dear Judge Karas:

A status conference in the above-captioned case is currently scheduled for August 22, 2023 at 10 a.m. The Government understands that the defendant, Savon Bagby, intends to plead guilty to the charge in the Information (unlawful possession of a firearm). However, a plea hearing has not yet been scheduled. It is the Government's hope that a plea hearing can be scheduled in the next 45 days. Accordingly, the Government respectfully requests an adjournment of the status conference.

In addition, at the prior conference, the Court granted an exclusion of time under the Speedy Trial Act until August 22, 2023. The Government requests an exclusion of time from August 22, 2023 until the next status conference pursuant to 18 U.S.C. § 3161(h) so that the parties may continue their plea discussions, defense counsel may continue to consult with the defendant, and the parties can finalize a resolution of the matter. The ends of justice served by the granting of the continuance requested outweigh the interests of the public and defendant in a speedy trial. Defense counsel consents to this request.

The conference is adjourned to 10/ 31 /23, at 3:30 Time is excluded until then, in the interests of justice, to allow the Parties to finalize their discussions toward a resolution of this case. The interests of justice from this exclusion outweigh the public's and Defendant's interests in a speedy trial.

So Ordered.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
